On September 11, the people of the United States witness the most horrific terrorist attack in history as hijacked planes bring down the World Trade Center, crash into the Pentagon and crash in a field in Pennsylvania. Thousands of lives are lost in the tragedy, but a new era of patriotism emerges from the ashes.

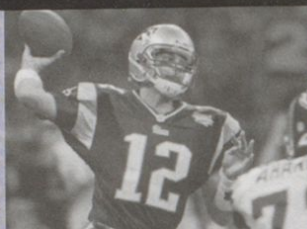

The Fellowship of the Ring, the first movie installment of J.R.R. Tolkien's beloved fantasy trilogy *The Lord of the Rings*, opens in December and garners 13 Oscar nominations.

GHOST OUT

On a cool fall afternoon, the Youth Services Center, directed by Bill Farley, sponsored a Ghost Out to teach students the consequences of driving under the influence of drugs and alcohol.

Assemblies

The day was 3.14, so the math teachers threw a PI Day to teach the student body the benefits of knowing PI through various activities, such as pie and donut-eating contests.

Of course, the prizes for all the activities were pies!

Time Capsule

In 1991, Mrs. Stone's FBCLA club buried a time capsule with the assistance of Evans Funeral Home. In fall of 2001, they assisted FBCLA Club by removing it from the ground. In a special ceremony, Sam Frazier, the senior class and FBCLA president of 1991, returned to RWHS to speak about the items placed in the capsule.

Pictured above, left: This year's senior class president, Teresa French, introduced the speakers that day.

The picture on the left shows items found in the capsule.

Time to Shine

During our 2nd Annual Variety Show, many of our students shared their hidden (and some not-so-hidden) talents with their classmates! From singers to actors, from stand-up-comics to serious orators, we saw an amazing display of abilities.

Below: The choir performs a medley, including some swing music. Mr. Mercer and Ms. Stone and Kim and Jason Poole were so moved by the music, they began to dance!

Below: This 7th and 8th grade boys' band wowed the crowd with their rendition of Nickelback's "How You Remind Me." Zach Rambo is the lead singer.

*Will we think about tomorrow like we think about now?
 Can we survive it out there? Can we make it somehow?
 I guess I thought that this would never end
 And suddenly it's like we're women and men
 Will the past be a shadow that will follow us around?
 Will these memories fade when I leave this town?
 I keep, I keep thinking that it's not goodbye

The class of 2002 never failed to show their school spirit. The day before the Senior Night football game, the senior girls stayed after school and painted signs of support for our football players, cheerleaders, and band members. The next day, everyone saw how much they were truly loved. Signs hung from the ceiling, on the walls, and even on classroom doors! That was truly an unforgettable day!

He has not only gained the knowledge of germinating and cultivating a variety of plants, but has also become aware of the business aspect involved in running a greenhouse. He has also been a wonderful manager in the production of football badges during football season. He has designed "catchy" logos for each upcoming football game as well as manufacture and sell them. Tracy is a hard worker who deserves to be recognized for his great efforts.

The greenhouse was repaired early in the fall and was the center of great activity this spring as greenhouse staff members prepared flowers and vegetables to sell to the community.

HIGHLIGHTS

Josh Craig
and Jason
Salyers made it
to All-State in
their sophomore
year--quite an
achievement!

Randy Manis,
Rachel Hannah
and Whitney
Pierce are this
year's graduat-
ing seniors.
Randy also
made it to all-
state. This
talented trio
has a combined
seventeen years
experience of
participation in
choir. Mr.
Stephens will
miss them
greatly.

Don't you know that it's Cool Cat Stephens?!

Kory Helmick's part in the Spring Showcase is that of a teacher. Even Jason "Elvis" Salyers and Josh "Shakedown" Craig cannot escape a lecture from the angry "teacher."
