Mrs. William C. Holmes, Jr.

Very soon the future will come;  
The plans you made are what you've done.

While inside looking out,  
You may sometimes wonder what it is all about.

## Foreword

We, the 1962 McKell Annual Staff, hope this annual will become one of your most prized possessions and that someday in the future you may look at these pictures which have become a history of your years at M.H.S.

In later years, while turning these pages, if you should recall the many smiles, sorrows, and dreams of '62, we shall be content, knowing that we have done the thing we were called upon to do.

The students who go this road will branch off into the many communities which populate our school. Some students shall return; others will go forward to the complex world of the space age. This road that takes you from McKell is contrary to our objective, which is to bring you back to your alma-mater. We feel that your satisfaction with this volume is our compensation.

Yes, you are my dearie—  
But carrying your books makes me weary.

A duty of cleaning is a quality students should possess;  
If they are lacking, they may be like Dottie and have this mess.

With this scene is definitely something wrong—  
Next step? Well, the accompanying sound will be  
"bong!"

Searching, reading, and cramming for a  
coming test—  
For they realize that they must do their  
best.

## Dedication

During our high school years there have been many times when we have needed help and guidance with our problems of school life. It was during these times that we found we could always depend on Mr. and Mrs. Cropper. They have given us a knowledge of science that shall carry us far in this modern day and age. They have caused us to believe that work without humor is like a flower with no color or fragrance.

To you, Mr. and Mrs. Cropper, we, the annual staff of 1962, dedicate the McKell, in return for the priceless gifts of knowledge and inspiration you have bestowed upon us.

## Our Message to You

As the year draws to a close, we look back with pleasure upon the events that have filled our cup of memories to overflowing. We have attempted to picture the best and most outstanding of these memories within the covers of the 1962 McKell.

We feel that the McKell Annual Staff is extremely honored in the respect that we have such a worthy and capable sponsor as Mrs. Holmes. Without her, we could never have surpassed the many rough spots that frequently occurred.

We hope that we have succeeded in our endeavor to present a good annual to you. With the sincere wish that each of you will find something among these pages that you shall remember for a long, long time—we give you the 1962 McKell.
