Just Yesterday

In 2007...

Principal Larry Coldiron and Assistant Principal Mickey Dixon cheered us on to "Pride in Academics and Athletics."

* Mr. Frank Melvin served his first year as Superintendent.

* 460 students, 30 teachers, and staff members enjoyed 180 days of "It's a great day to be a Ram!"

and it all happened at 500 Ram Blvd., Raceland, KY 41169

We remember
Alli LeMaster
January 20, 1992-May 20, 2007

Remembrance
Remembrance is a golden chain
Death tries to break,
but all in vain.
To have, to love, and then to part
Is the greatest sorrow of one's heart.
The years may wipe out many things
But some they wipe out never.
Like memories of those happy times
When we were all together.

Eventful Days

Everyone knows routine is boring, so days like the ones below shake things up a bit and renew our interest in learning.

Fall-Dr. Eklund's Poetry Workshop

For a second consecutive year, Dr. Eklund returned to present a week-long poetry workshop. Students first wrote their ideas as wild text and then developed them into some awesome works of poetry. The fun of Dr. Eklund is that he's able to reach students with his interesting presentations and by sharing his own poetry in its various stages.

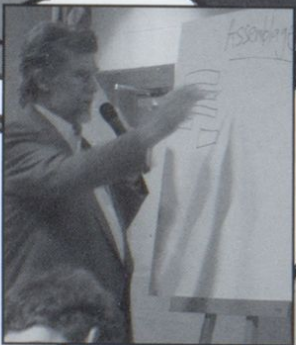

Everyone involved in our small school attempts fundraisers and a likely place to hold a group fundraiser is the cafeteria. Students involved in the school bank, yearbook, and various other organizations try to sell stuff during lunch. One fundraiser this year was Picture with Santa. It didn't go over great as a fundraiser, but it still brightened up the cafeteria in those days before break. Above are some pictures of "Santa."

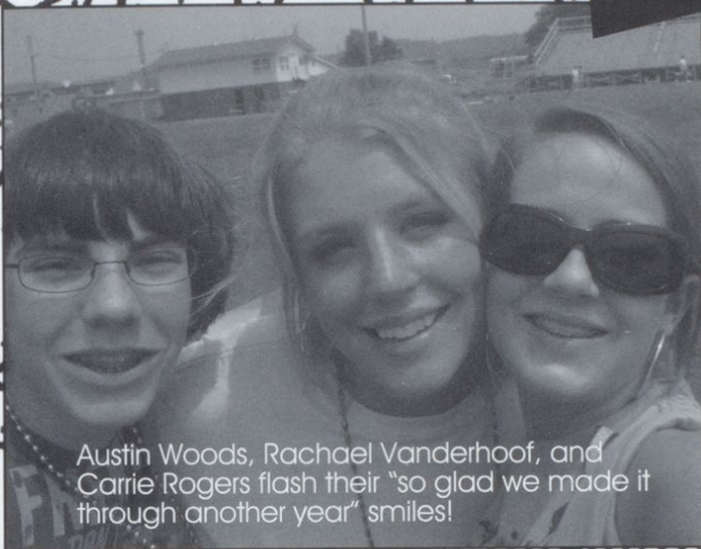

Winter: Happy Holidays

Spring:Market Days

Mrs. Morris's Vocational Living classes became entrepreneurs by developing product ideas, and then creating, advertising, and selling their products. Students from other classes were able to visit the "Market," which was held--where else?--in the cafeteria. The favorites shops tended to be those with icees and cupcakes, but those students with creative t-shirt and shoe shops raked in some cash, too! All in all, a successful venture for everyone!

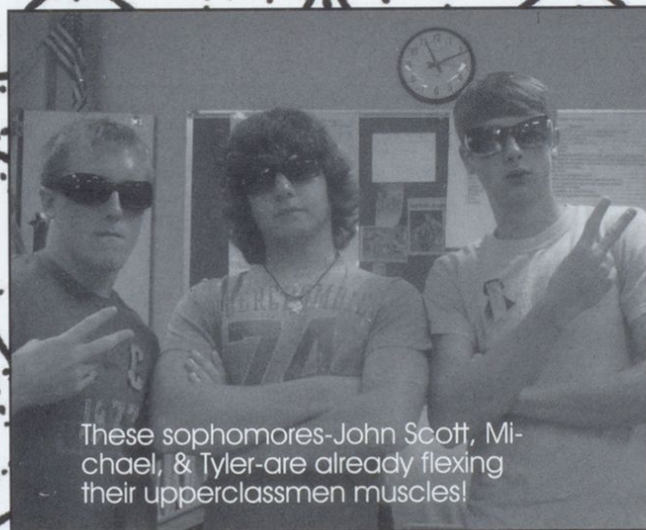

LAST DAY PICNIC

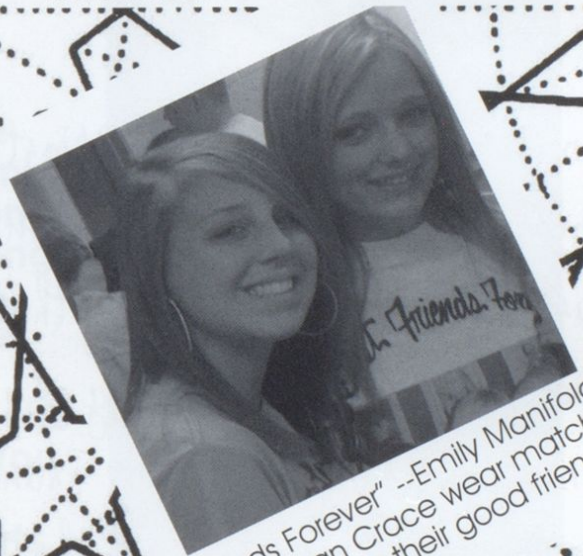

Austin Woods, Rachael Vanderhoof, and Carrie Rogers flash their "so glad we made it through another year" smiles!

The classes competed against each other in a Corn Hole Tournament on the football field.

These sophomores-John Scott, Michael, & Tyler-are already flexing their upperclassmen muscles!

"Friends Forever" --Emily Manifold and Megan Grace wear matching shirts honoring their good friend Alli.

Ashley Shearer and Nick Ratliff soak up some rays on the last day.

KCU Choir sang one night of the opening gala.

Our mission at the Raceland-Worthington Cultural Arts Center is to bring live musical and theatrical performances, as well as exhibitions of visual art to our students and community that will promote an expanded awareness of the world of art from a variety of genres, styles, and origins. I believe that we have made a strong start! Our Grand Opening Gala Celebration of the Arts was a wonderful week that set the tone for a whole year of terrific performances. Our stage has been graced with talented students and special guests. Our audiences have been comfortable in our upholstered theatre seats as they are entertained and educated. I look forward to many years of music, drama, dance, art, and audio visual technology in our state-of-the-art facility.

~Ann Stephens

CULTURAL ARTS GALA

The community had waited so long for a place to gather and enjoy concerts, seminars, and programs and the Grand Opening Gala Celebration delivered something for everyone--music of many genres, dances, drama, and various mediums of art. Cultural Arts Director Ann Stephens planned the grand opening and invited the whole community to join the arts gala. You can see the effort was quite successful! Proceeds from the opening benefited arts programs at all three of our district's schools.

RWHS STAFF

Worth their weight in gold, these folks help keep things running smoothly. From top left: Mack Sheets, Ken Cochran and Debbie Feters are our custodial staff. Mrs. Sheets, Mrs. Vanderhoof, & Mrs Tomlin make us a nutritious lunch everyday. Mrs. Tackett, Mrs. Van-Hoose, and Mrs. Wilson help teachers and students in their roles as aides.

Our bus drivers are Tony Holstein, Jim Matthews, Connie Riggs, and Wayne Tackett.

Our substitute bus drivers are Ken Cochran, Darrell Feters, and Steve Huffman. Although Raceland is a small district, our drivers cover many miles every day for us. We appreciate the safe transportation to all our activities!

Passages

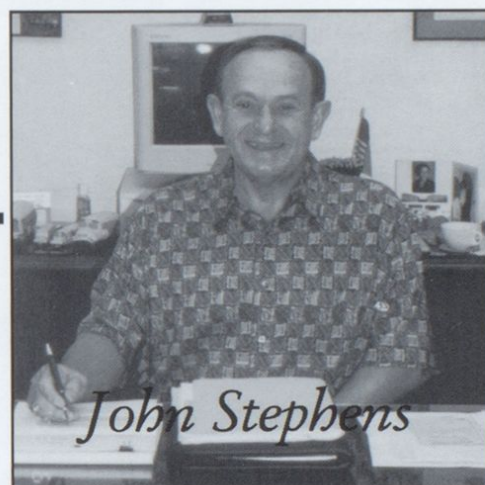

Congratulations

The Raceland-Worthington Independent School District is the closest thing to a private school in the public school sector. I think we all have heard this comment many times in the last few years. I believe that it says a lot about the District, and encompasses a number of positives that underline what each of us want for our children. Our students know each other by name; they receive personal attention daily; they have access to the finest facilities in the area, and we are constantly involved in advancing and improving the academic and athletic possibilities that will make a difference in their lives. Leading this District is an honor and a privilege. Hopefully, my first year as superintendent has supported these positives, and each of us feel that we have given our best for our students. As many of you know, I graduated from Raceland Independent in 1966, and my dedication to supporting our community school system in every way possible will continue to my last breath. Go Rams! ~ Frank Melvin

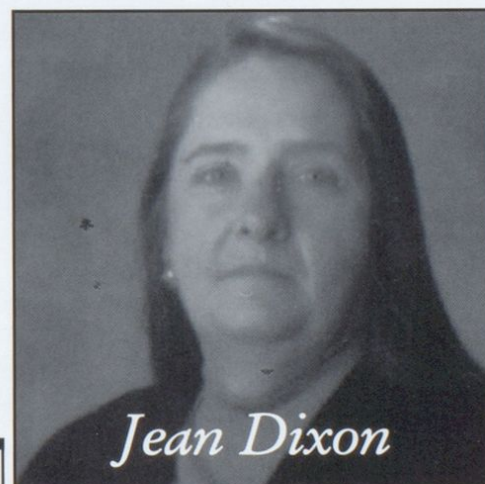

Thank You & Best Wishes

Mr. Stephens retired last year after serving for 12 years as our superintendent. Previous to those years, he served as principal of the high school for 16 years. Before he gave 28 years to the Raceland Independent Schools, he'd spent 13 years teaching History, Health, and Physical Education. He received his degree from the University of Kentucky in 1968. Altogether, Mr. John Stephens spent 41 years in the field of education.

It has been an honor to be part of Raceland Worthington High School since 1975. I have worked with many talented and dedicated colleagues and made many lifetime friends. I take with me many memories of students, school activities, and even dissections. It has been great to be a part of a school system that has so much pride and tradition. Thanks to everyone that has been part of this incredible journey. ~Jean Dixon

Welcome Additions

Charlotte Isabelle was born April 2, 2007, to Mark and Klinepeter. She weighed six pounds and was 21 inches tall. Mr. & Mrs. Klinepeter also are the parents of two boys.

Angel and Tim Gwinn welcomed Grant Michael into their family on February 23, 2007. He weighed 7 pounds and 10 ounces and was 20.25 inches tall.
