MRS. EUNICE HARPER
Superintendent

"The direction in which education starts a man will determine his future life."

The Raceland-Worthington Schools have attempted to assist in your preparation to meet the future in the changing society. Our wish for you is continued success and happiness.

The mystery of life is awesome in its aspects. Homo Sapien is the nucleus of the process. He is constantly changing, constantly surprising the expert. I've never found the positive answer to life or to the individual. I've realized from these bases that I must never give up or sell a human being short.

The Director And Band

Raceland High School Band was honored to have as their new band director, Mr. Carl D. Taylor. Mr. Taylor is a graduate of Trevecca Nazarene College.

Mr. Taylor has worked hard at his desk along with his Directing.

Marching Through '70

The band participated in a number of parades as well as performing at the Football games.

A lot of work is done inside on music to prepare for the marching performances.

Concert Band

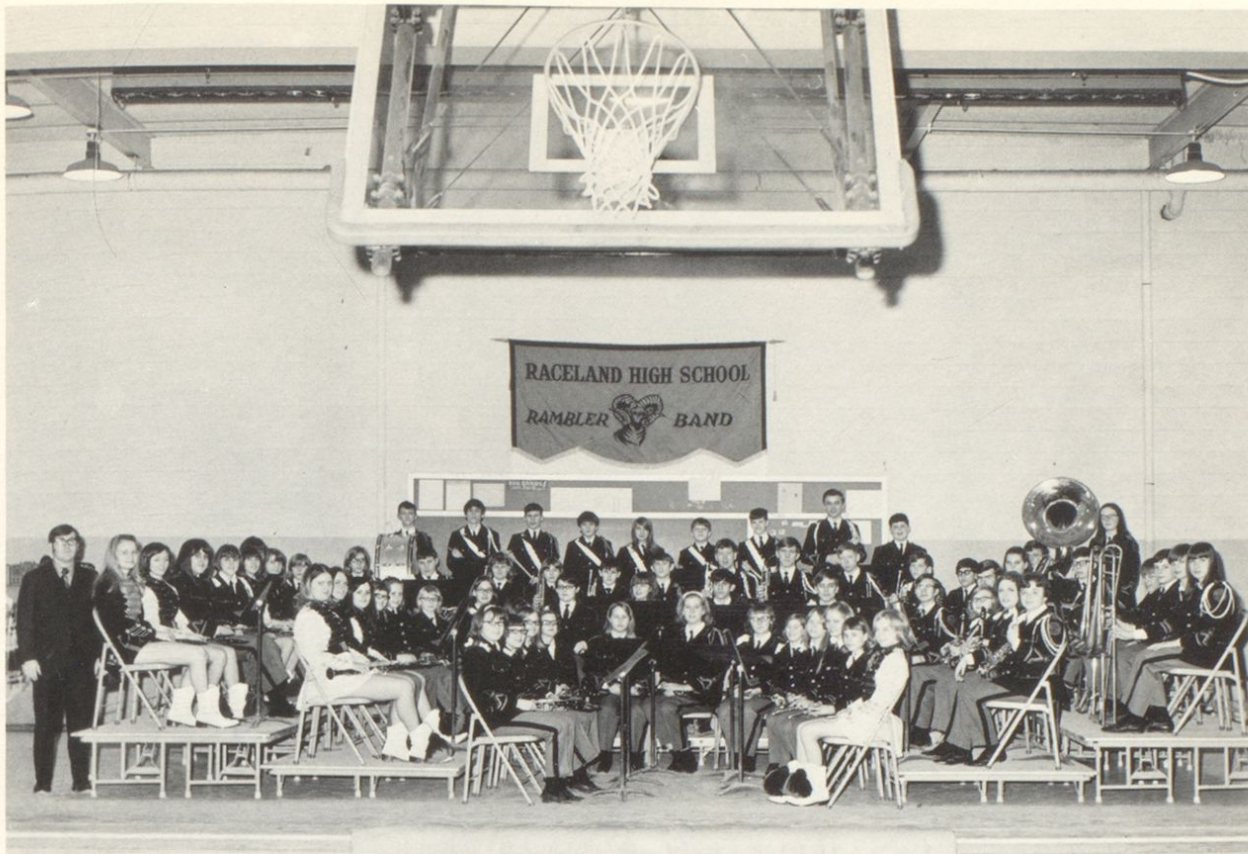

A lot of hard work goes into the preparation of music. To be able to perform, the band has to have a lot of hard practice. Each performance has to be of "top-notch" quality, so each member must work, work, work!

Mr. Taylor has the job of not only planning the music and shows for football season, but he must also select the music for Concert season. He has to keep in mind that he is not playing for his own entertainment, but also for the enjoyment of others.

Form and style of a band director is very important. He must make the students recognize his every movement in order to keep every student playing correctly.

The concert band performed at State Contest this year and received a rating of II which is an excellent performance. They also held two other concerts for the entertainment of their fans!

V.J.P.'s

John Bush was given the most outstanding concert band member award this year. John is a senior and has contributed much to the band.

William Friley was given the outstanding marching band member award this year. He is also a senior and contributed a lot to the band.
