REVILONIAN

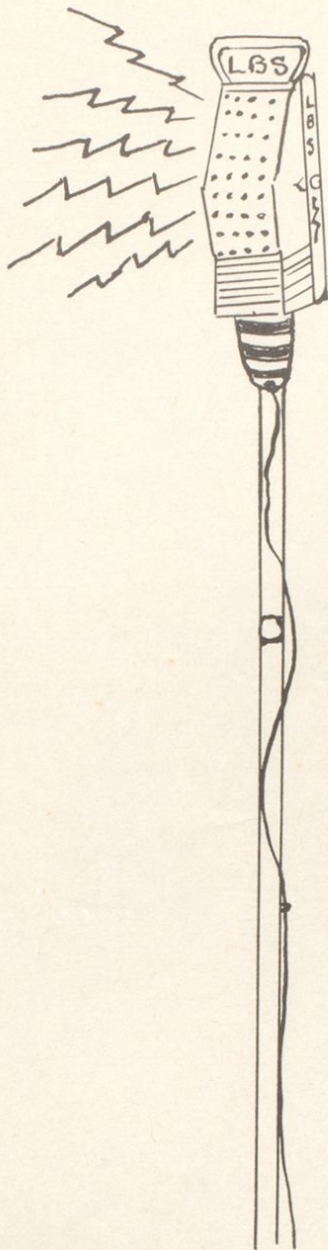

1951 SENIOR TRIP

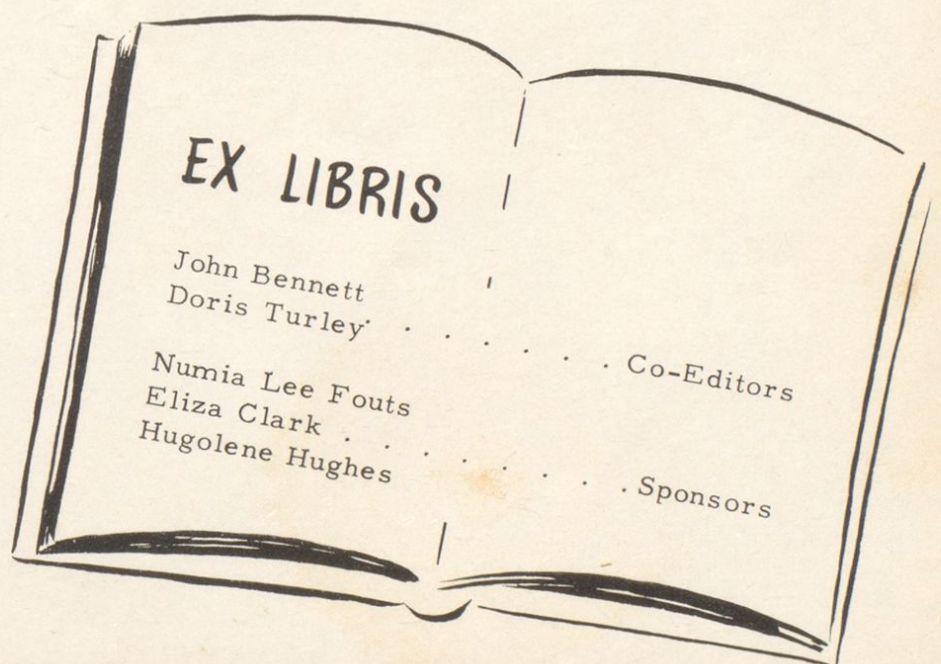

Class Motto

IN OURSELVES - THE FUTURE LIES

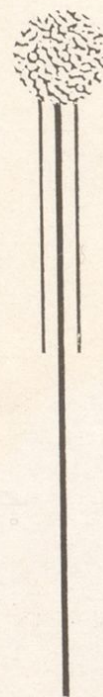

WE THE STUDENTS SPEAK

THE RUSSELL HIGH SCHOOL

Here is our school - a school of which we are justly proud. To us, the Graduating Class of 1951, it is symbolic of the American way of life... It was here that we learned the principles of Democracy. . . .to work, study, and play together. . .to respect the rights of our fellow students and teachers, and to expect the same respect from them. As we leave the doors of Russell High for the last time as students, we go forth with the knowledge that our life will be a richer, fuller one, because of our days at Russell High School.

RUSSELL, KENTUCKY

AMERICA'S FUTURE DEPENDS ON AMERICA'S SCHOOLS

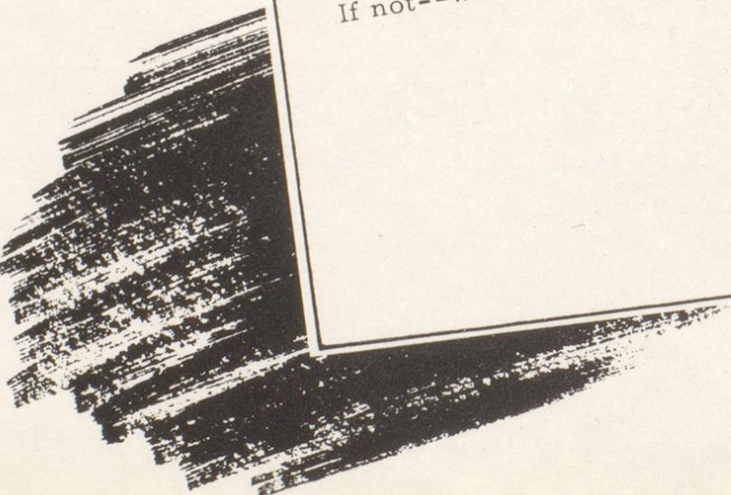

SCHOOLS KEEP US FREE

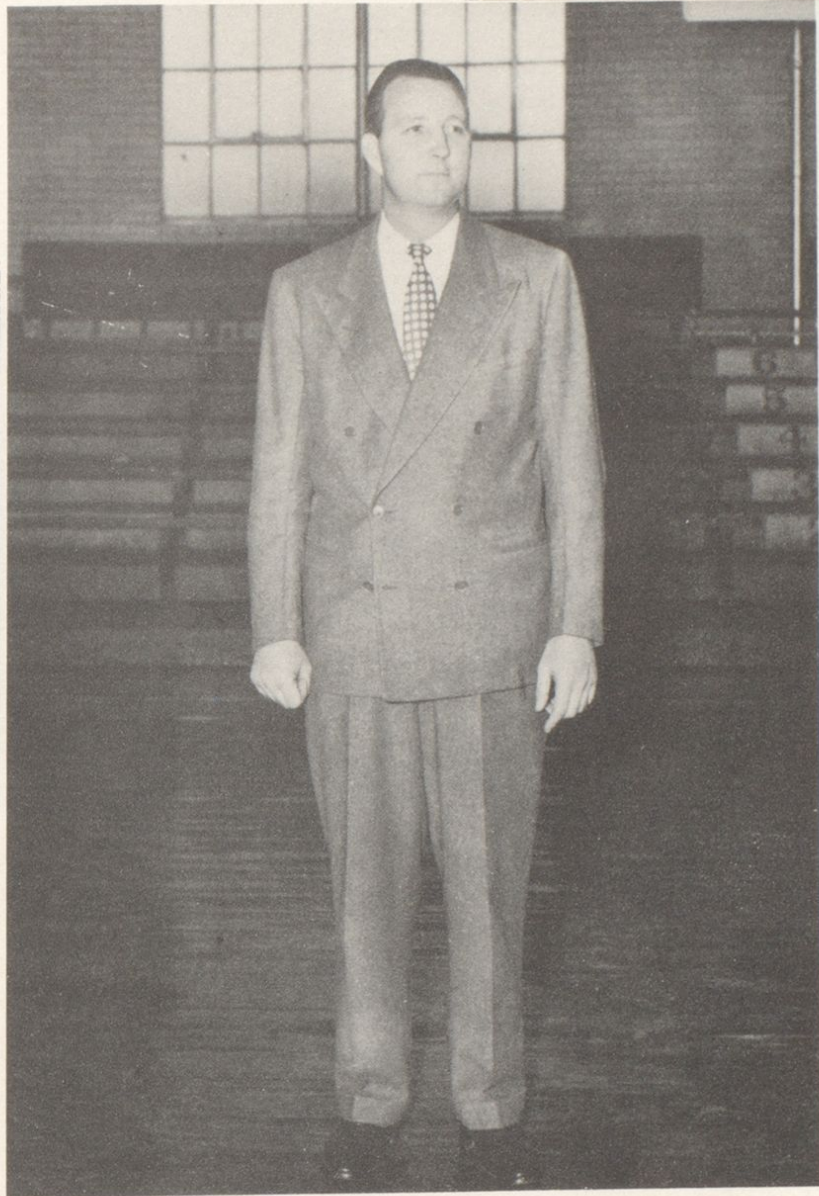

FOREWORD

Well, Kids, our Revilonian has finally arrived
The Book which will keep your memories alive
Of those precious days spent at Russell High
Before graduation time--then tears, and good-bye
You may open the pages, -- and peek inside
(the plan is clear--you won't need a guide)
If you like what you find--our work is well done
If not--well-- anyway,--we've had our fun.

DEDICATION

TO OUR COACH

Because of his outstanding ability as a coach--his untiring efforts to promote sportsmanship--and because of his wonderful personality, we, the graduating class of 1951, are proud to dedicate our annual to one who is well known to all of us--our coach, Fred Johnson.

THE CHOICE IS OURS

Above is pictured our popular Superintendent of Schools, B. F. Coffman and his Secretary, Miss Sarah Hendricks. We are very sorry we were unable to secure a picture of our outstanding Board of Education. The School Board represents all the people Through the School System, it builds America's Future.

Miss Peggy McGuire, pictured at left, is our new attendance director. In addition to her supervision of student personnel, Miss McGuire has been very active in her work with the Associated Public School systems. Russell was one of the schools chosen to participate in this new educational project.

PROBLEMS FACED TOGETHER

BRING BETTER UNDERSTANDING

Mr. Henry Evans is our genial and likeable Principal. He has given much of his time to improve the educational standards of our school. Mrs. Sue Dickison helps to keep our office records in order.

“SO LONG, IT’S BEEN GOOD TO KNOW YOU”

Bright and early on a Tuesday morning in 1948 many new faces could be seen in the halls of Russell High. The eager but slightly frightened Sophomores were wondering just what was going to happen next.

However, it did not take this industrious group long to become established with the rest of the student body.

At the beginning of the year we elected Edgil McIntyre as our President . . . Ted Clarke, Jimmy Poe, and Helen Ratliff were elected to represent us in the Student Congress . . . Nine of our members were honored by being asked to join the Beta Club . . . Loretta Francis was chosen as Harvest Queen.

After a successful year as Sophomores we emerged as the Jolly Juniors of '49. The following officers were elected: President-Jimmy Poe; Vice-President-Charles Pelfrey; Secretary-Phyllis May; Treasurer-Mary Lou Powell.

Joyce Justice was selected as “Miss Junior” for the year . . . Our play “Mumbo Jumbo” was enjoyed by all . . . The high-

light of the year was the Junior-Senior Banquet and Prom. Our theme was “Hitch your wagon to a star”. The gym was decorated in blue and white with silver stars which created a heavenly atmosphere.

After our summer vacation we again appeared in the halls of R. H. S. for our last year. We are now holding the long awaited place as Seniors and are striving to uphold the dignity of our position . . . We have sponsored dances after the ball games . . . conducted a very successful magazine sale and a white elephant sale . . . attended a wonderful party at the home of Mrs. Huges, one of our sponsors. We have chosen “Little Sweetheart” for our Senior Play which will be given during Commencement week. We elected the following officers for our Senior year; President-Jim Poe; Vice-President-John Bennett; Secretary - Helen Gambill, Treasurer- Phyllis May.

As this goes to press we are eagerly awaiting our Senior Trip to Washington and then . . . Graduation . . . with all the joys and sorrows that it will bring . . .

WE PAY TRIBUTE TO

Our Home Room Mother
MRS. CHARLES POE

TO MRS. POE

There are wonderful souls who live about
With a calling all their own;
Who do the tasks that the rest forget,
Don't want to, or leave alone.

They live for OTHERS by deed and word;
'Tis the creed they believe and love;
Tho never receiving their rightful due,
They're akin to God above.

Our P. T. A. Leaders

Our K. E. A. President
ELIZA CLARK

STANDING: Mrs. Bill Bratton, Mrs. Herbert Greene, Mrs. Stanley Stark, Mrs. Edmund Kidd. SEATED: Mrs. Russell Morris, President; Mrs. Clarence Haeberle, Vice President; Mrs. Bert Rigg, Treasurer; Mrs. James Phelps, Secretary.

REGRETFULLY, WE LEAVE.

I, a duly authorized attorney, of the regular bar of R. H. S., do hereby, upon behalf of my client, the class of 1951, of the school of Russell, state of Kentucky, write the following last will and testament of the said class, duly made out by me, legally signed and witnessed by said testator.

To you, dear JUNIORS, we bestow our richest treasures, our Senior dignity, our superlative brilliancy, our good looks, our charming manners, our favor with the teachers, our splendid grades, and our triumphant exit as the most popular class this school has seen--These are the rare treasures we hand down to the coming Senior classes.

To the TEACHERS, we bequeath all the patience, forbearance, long suffering and self-sacrifice ever possessed by us, on the principle that, "To him that hath shall be given."

To MRS. ROSE, because of her extraordinary love for souvenirs, we leave all our "composition books," well filled, which testify to our long career of studiousness.

To MRS. WADE, because of her great desire to be absolutely "letter perfect", all the worn out typewriters and lead pencil erasers, with the understanding that they are to be loaned to whosoever shall ask for them.

To MISS WASHINGTON, we leave our electric searchlight, which will enable her to find those two long-lost entities, the "greatest

common divisor," and the "least common multiple."

To MISS FOUTS we leave, without the slightest mental reservation, all the dog-earned and dilapidated books, with the privilege of gluing, pasting, sewing and generally repairing them.

To the following, we leave our personal bestowals which have been awarded to the individuals with complete consideration to the fitness of the recipient.

SENIOR FUN IN '61

Time: 1961

Place: Russell, Kentucky

Scene: Class Reunion

Characters: Definitely!

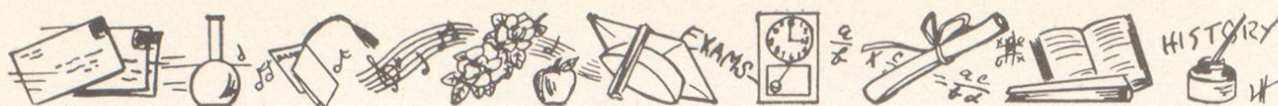

Many years have passed since that ambitious, intelligent and unforgettable class of 1951 have been together. A class reunion is being held and I, the spirit of '51, am here to see all the members arrive.

Dear me! Who should be the first to arrive but JERRY GIAR driving one of his latest creations, a Jet car. I can remember when he drew them in class instead of getting algebra. Here comes MARY LEIBEE. She's the Recruiting officer for the Waves at the local office. Oh! Here comes a car full: why it's JOE MANTZ, who is instructor at the Naval Academy, with CONNIE STEPHENS, who is the instructor of Cheerleaders. With them is DORIS EDWARDS who is head of a firm that revises all bookkeeping methods. Then there's PAGE JOHNSON. PAGE is Athletic Director at Russell High and CHARLIE PELFREY is his Assistant. They are trying to get the Board of Education, which includes RUSSELL MENSHOUSE, JOE WILLIAMS, and DONALD FLANNERY, to pass a law against athletes going to classes. No doubt it will pass.

Oh my! Here comes the former President of the class, JIM POE. He is the owner of the largest construction company in the world. His latest project was the new hospital "Last Chance" and its staff is DOROTHY BURTON, FREDA HATTON, and LORETTA FRANCIS.

What's this? Why it is a chartered bus owned by VERNON THOMPSON, who finally bought it after riding it for 10 years. DORIS TURLEY is the first one off; she's the Dean of Girls at Russell University. Following her is HELEN GAMBILL, famous Psychiatrist and her assistant, PHYLLIS MAY. Hi there! If it isn't ELLOUISE ISON who flew in from Texas to see us. Next we see SHIRLEY WASKEY, wearing a dress she models for JOYCE JUSTICE, who owns a dress shop. The dresses are designed by MARY WYANT. The last one off is BOB BEBBER who is the leader of debates in the Senate.

For goodness sake, What's that? It's a helicopter flying in, driven

SENIOR FUN IN '61

by NOEL REED who finally gave up his driving lessons.

Here comes another "Limizine" driven by LEONA RIFFE, who is accompanied by PHYLLIS ADKINS, owner of a chain of book stores. CLAUDINE SNODDY who is now a missionary has just returned from Japan. INA MAE NEWMAN has become our local beautician.

Make way-Here comes JOHN BENNETT owner of the "Boom-Boom" Chemical Co. thanks to his great assistant TED CLARKE. SHEILA CHILDS is operating a "Learn How" dance school. CHARLIE VANDERHOOF is now proprietor of the "Dew Drop Inn".

Well, here comes the last group including LOELLA BARNDOLLAR owner of a chain of theaters in Hollywood. MARY LOU POWELL author of the best selling novel "School Daze", and JOAN BLANKENSHIP teacher of Home Ec. JACK POWELL wired to say he couldn't come because he's on the tour as the greatest sportsman in the U.S. There's BARBARA TOLLIVER who, believe it or not, is the Superintendent of Schools. MARTHA SPARKS and PAULINE LEIBEE are her secretaries. REBA RICE says she is broadcasting every night-- a famous comedian you know. Her program is followed by JACKIE WARNICK, director of the famous orchestra, "The Deadbeats".

Last, but not least, comes JUANITA STONE, director of the new movie, "Eeeeeek" starring RUTH McCLURG, and HELEN RATLIFF sponsor of the Beta Club at Russell High. MARY STOLLINGS, JOHND A WILLIS, and NADINE BROUGHTON, are departing already for they are still in college. THELMA ADAMS is head of the "Ding a Ling" Telephone Company. Quiet! NINETTE GILLEY is giving a speech on the "Good old days". We see BARBARA HYLER listening, she is the teacher of Business English. The next speaker is WAYNE WILBURN who is a noted Doctor.

Well, the day is about over and you can hardly hear yourself think, because of the jabbering over the wonderful days at high school. So, I will have to close and leave. Need I say this has been a wonderful day?

FUN AT THE SENIOR
PARTY

Irresistible

MEET ME AT SCOTT'S

It all begins with a simple turn of a key in the keyhole of Scott's Drug Store....Low and behold "The Thing" is opened. The hour of 8 A.M. has finally rolled around and the students of Dear Ol' Russell High have gathered for their early morning conference of yesterday's happenings and to try to think of some way to get out of their classes today.

First to enter is BARBARA BARNDOLLAR and JACK POWELL, they forgot to eat breakfast and will settle for coffee. Then comes "SQUIRREL" CLARKE who has come early to listen to music that only SCOTT'S jukebox can offer. Bang! Who slammed the door....PAT CANIFF, who must be very sleepy, he didn't even feel it fly back in his face. Here comes JOHNNY BENNETT who heads for the pinball machine. Joining him is JOE MANTZ, PAGE JOHNSON, and SAM HOFFMAN.

Ugh! Oh! it is twenty one minutes till nine and all must run for first period, at twenty till. Peace and quiet....Our wonderful friend, "DOC" SCOTT enters to inspect and estimate any damages. The clerks patiently clean up the mess and begin to prepare the hotdogs, our favorite lunch time snack.

Time passes.....it is only twelve, but we see that some of the students were fortunate enough to skip out of their fourth period classes early....Meaning BETTY HARRIS, DORIS DILLON, and JUANITA STONE. Now it is 12:34 and what's that? It sounds like thunder, but it is only the dismissal of classes at R.H.S. only two blocks away....Crash! Clear the way the crowd is about to enter, it took them only one-fourth a second to get here. Here comes ANNA NOLAN who is very small but can really eat those hotdogs. Then there is WANONA MILES, who is simply famished, but will settle for a short order of BOBBY MCKENZIE. PHYLLIS MENSHOUSE isn't hungry today....must be in love??? Hold on to your hearts girls, here come TERRY CAUDILL, GENE CARR, JIMMY KOUNS, JOE MAY, and WETZEL PERKINS. Hey PHYLLIS MAY, come back here!

After almost destroying our lovable place the gang finally leaves and back to school they must go. Some linger for a few minutes to joke with "DOC" TOM WILSON, who has become one of our favorite friends. Once again the booths are empty, only to be filled again at 3:15 by jabbering teenagers. JUNE SMITH is patiently trying to fill the orders, while BOB BENNETT and JIM DOWNS are discussing their dates with DOROTHY LEIBEE and BILLY LOIS FREEMAN. Here comes WILMA CHAPMAN and CHARLIE PELFREY, BOB BEBBER and JOYCE JUSTICE, who seem to be interested only in each other. Then enters JOAN and OTIS BLANKENSHIP who is everybody's favorite.

DOROTHY WYANT, BARBARA KEENE, and RUTH COMPTON have come for their daily ice cream cones....or is it to see those certain boys??? Say! Those milkshakes look good....JOE MANTZ is buying, he must have lost another one of his famous bets. JOHNNY MILLIS is in the corner telling one of his favorite gags, no doubt! Some of the gang from Westwood very hesitantly leave, JOSIE HAMMONDS says goodbye to PEE-WEE REED, RUSSELL MENSHOUSE rushes to catch his bus and bumps into MARTHA SPARKS, and GLADYS SPARKS. Some of the Drugstore Cowboys have forgotten the time of day and are still talking, but for the majority of us it is time to depart. Thus ends another day of school and SCOTT'S.

JUNIOR JOTTINGS

At the beginning of the year the Jolly Juniors elected the following officers:

President . . . Sam Hoffman
 Vice-President . . . Dean Perkins
 Secretary . . . Phyllis Menshouse
 Treasurer . . . Bob Harris

Through the guidance of these officers and the class sponsors, Miss Washington, Mrs. Rose, and Mrs. Wade, and through the co-operation of the students, they became an active group in Russell High.

They were well represented in sports and extra-curricular activities. Their play, "Damsels in Distress" given in November was a great success.

The Juniors are especially proud of Patty Cox who was elected as Vice-President of the tri-state Beta Club at the Convention held in Louisville. Patty will preside at one of the meetings at the Convention next year. This is a very high honor for Patty and our school.

The Juniors have worked hard and completed many projects during the school year. They sponsored a number of dances after the games.. sold programs at the ball games.. sold autograph books to the students and last but certainly not least they sponsored a paper drive which proved to be a great success.

We have had whispers that the Prom and Banquet will be a gala event of the Spring. We know that the Juniors have worked hard to secure the necessary funds and we are looking forward to the Junior-Senior Prom.
