DEDICATION

Because of her interest in each of us, her sense of humor, her understanding, her patience, and her willingness to help us solve our problems, we, the senior class of 1959, wish to dedicate the 1959 edition of "The Tiger's Den" to Mrs. Shannon Vinson.

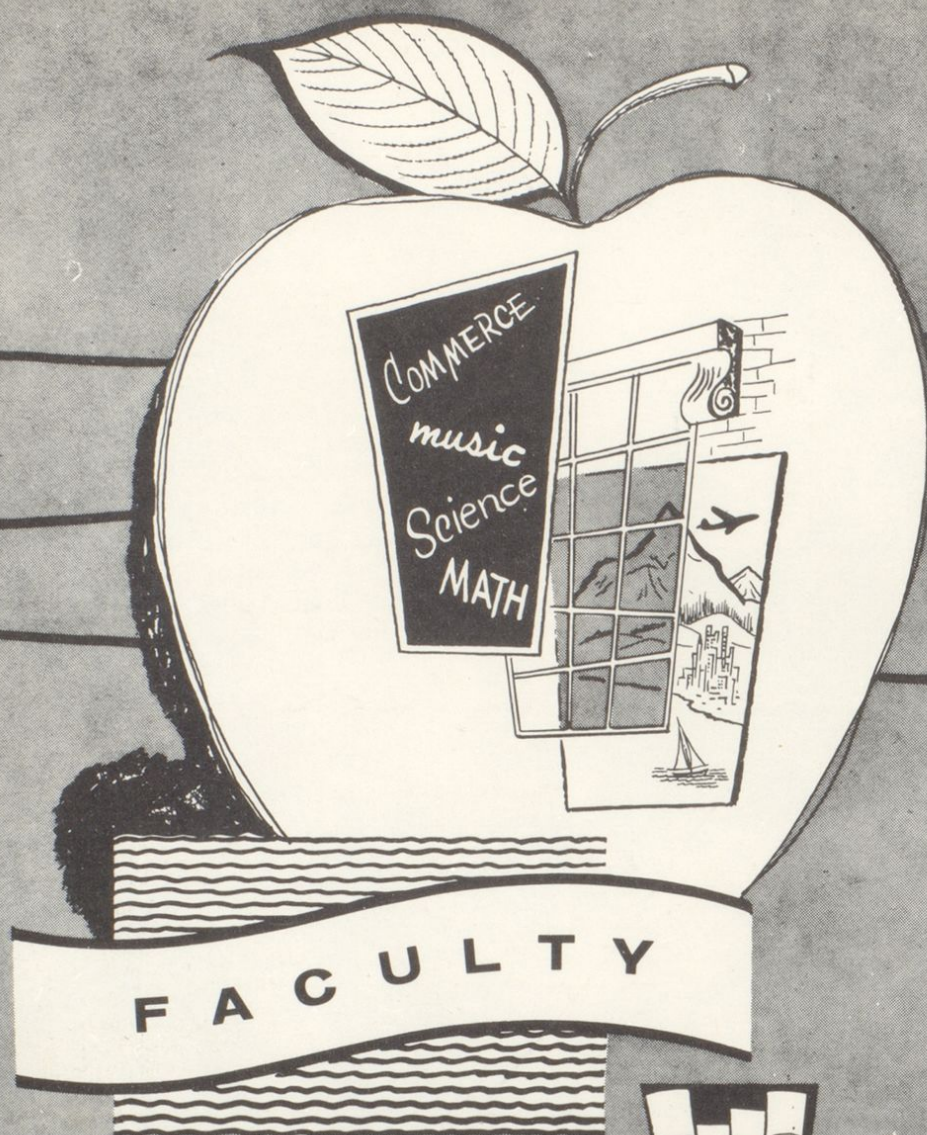

Presenting---

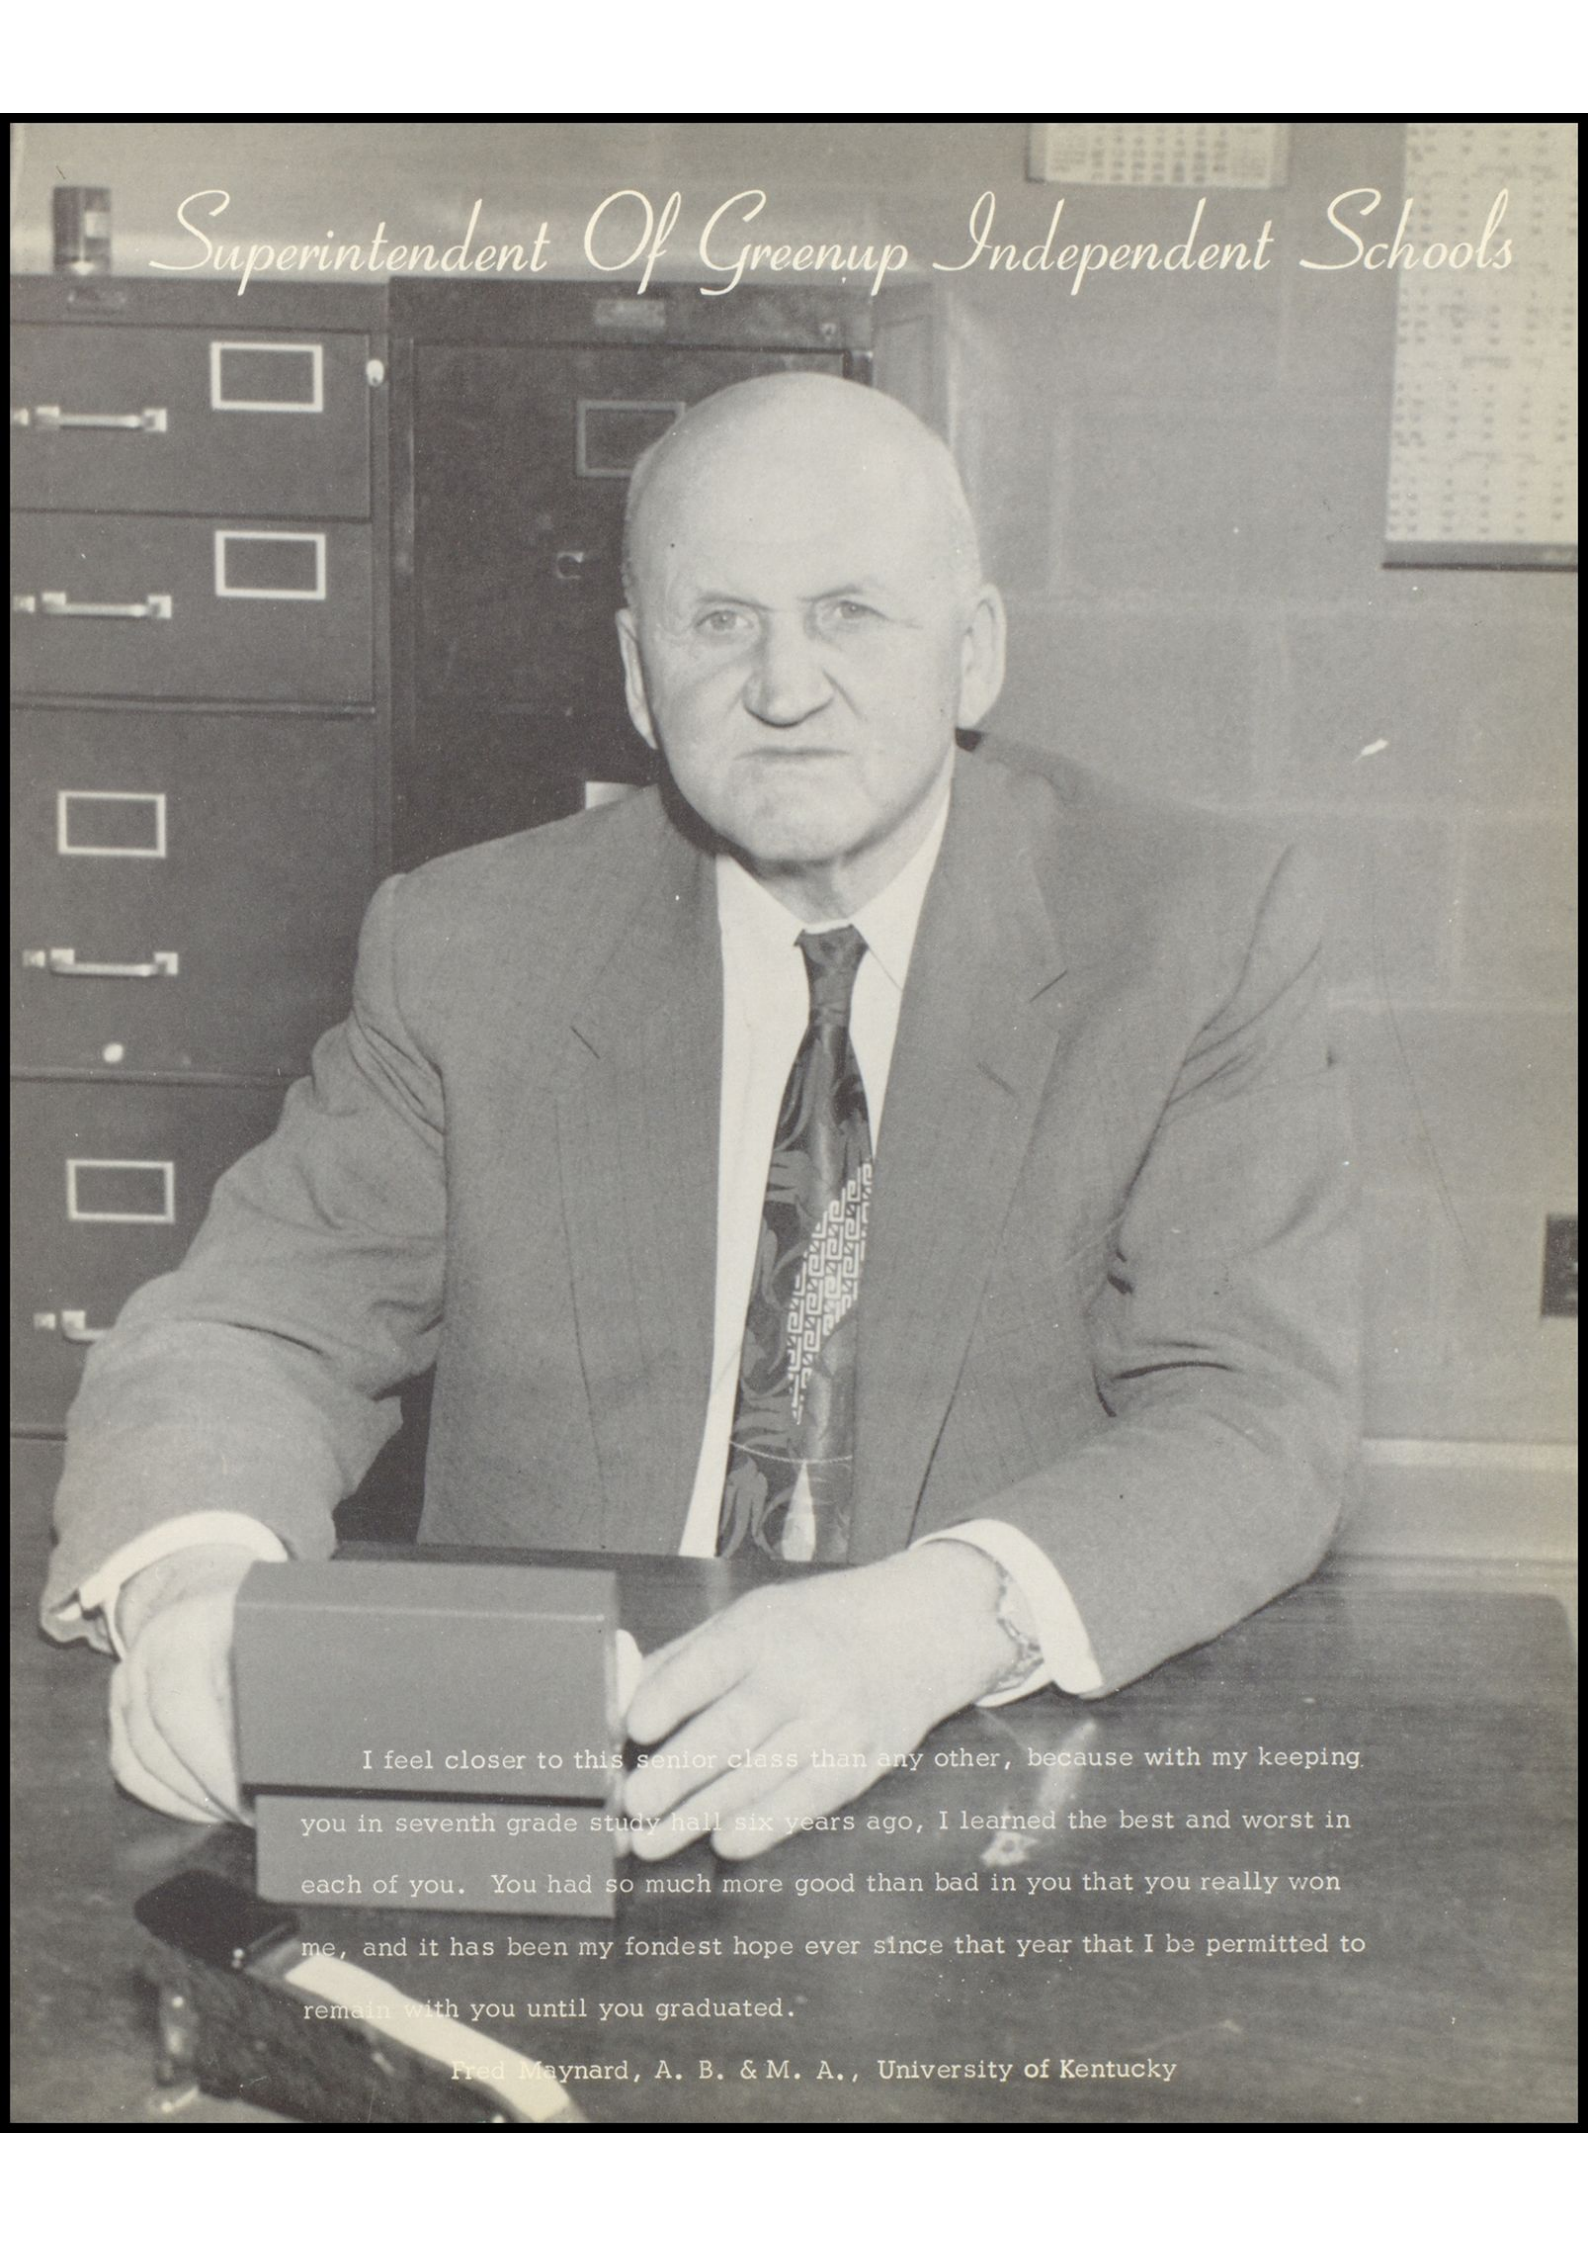

the 1959 edition of

The Tiger's Den

We are proud to present to you our 1959 annual. This book has caught glimpses here and there, so that in years to come the activities of this school year at Greenup High will not be dimmed and will not fade from memory.

In later years, while turning these pages

Superintendent Of Greenup Independent Schools

I feel closer to this senior class than any other, because with my keeping you in seventh grade study hall six years ago, I learned the best and worst in each of you. You had so much more good than bad in you that you really won me, and it has been my fondest hope ever since that year that I be permitted to remain with you until you graduated.

NANCY IS MERIT SCHOLARSHIP FINALIST

Nancy Hicks, who has demonstrated a high potential for college achievement, was a finalist in this year's National Merit Scholarship competition. Nancy has received the Certificate of Merit which attests to the high academic promise of the student. High scores on two college aptitude tests led to the nationally recognized honors for her. Less than one-half of one percent of the seniors in each state received the awards. We are very proud of Nancy's scholastic achievement.
