The sound of happy voices, the spirit of good sports, the molding of ideals and aspirations, all blend into our high school experiences.

With sincere hopes of bringing a worthy souvenir of these significant days at Greenup High to the students, the editors have devoted many hours of work.

We feel that your satisfaction with this edition of the Tiger's Den is our compensation and with this thought the Staff presents the Tiger's Den for 1961.

J. W. HARRELL

The class of '61 is a talented group which has earned many honors for our school and I predict that Greenup High School will have reason to be proud of them in their post high school endeavors. I'm glad that you are graduating but I am sorry to lose such a nice class.
