FOREWORD

1961 has brought many new and wonderful experiences to the students and faculty of Raceland High School. But, the sands of TIME have run out; and we, the staff, have tried to preserve your year in words and pictures. This year will not be forgotten, for there will always be your

The seniors of 1961 proudly dedicate the "1961 Memories" to Mrs. Jane West. Through the three years she has been with us, Mrs. West has worked diligently, patiently, and very hard to make our years of high school a time to be remembered. Sometimes when the days would begin to grow dreary, there was always time for a smile and a happy and encouraging word from our sponsor . . . Mrs. West.

STAIRWAY TO A SONG

A skit was presented at the Kentucky Beta Convention held in Louisville by the Beta members: Rosella Ferguson, Jerry Greenslait, Kent Taylor, Gary Chapman, Carolyn Poynter, Joe McClanahan, Kenny Alfrey, arranger; Diane Perry, narrator. This was the first skit to be presented by the Raceland Beta Club. A prize of \$10.00 was awarded for third place.

The group began to build a song with instrumental arrangements to the tune of "Little Brown Jug" as the narrator spoke. Then a vocal arrangement, "Talk Too Much," featuring Kenny Alfrey, was presented by the group.

The club has a membership of thirty-five students, thirty-one girls and four boys, and is under the sponsorship of Mrs. Agnes Miller. All students with a "C" or better average may request admission to the club upon their entrance into the ninth grade. All club activities are governed by the national constitution.

The Future Teachers club feels that seven qualities are required before a student should think of becoming a teacher. They are: physical vitality, mental vigor, moral discrimination, wholesome personality, helpfulness, knowledge, and leadership.

The Future Teachers of America club of Raceland High School feels that if a student has these qualities and has an interest in the teaching field he should explore this field and its opportunities.
