*We dedicate this 2006 Aries Yearbook  
to Mr. Tim Miller- our teacher & friend.*

Mr. Tim Miller taught at Worthington Elementary and Raceland High School for most of his teaching career. During that time, he not only taught, but showed by example, a life that is lived to the fullest for God and others. Everyone who encountered Tim Miller remembers his exuberant personality and extreme generosity.

His parents, William J. Miller and Margaret J. Miller, donated his collections of books and globes to the school. Mrs. Julie Harris created a Tim Miller Arts and Humanities section in our library to properly display and share their generous donation.

Although Mr. Miller's passing still seems unreal to us, his memory and the way he touched our lives will be forever with us.

***Timothy Joseph Miller***

## **The Man**

The man who's watched us since we've been  
young,  
The man who listened to our screams when we got  
stung,  
The man who made some of us roosters and stars,  
The man who made most of us who we are,  
The man who left us with wisdom and knowledge,  
The man who urged us on to attend college,  
The man with which we watched *Cats* on  
Broadway,  
The man who made us laugh and never led us  
astray,  
The man who never seemed over stressed,  
The man was never once overdressed,  
The man was always there to brighten your day,  
The man always had a good word to say,  
The man went on to be with God,  
The man left memories in people abroad,  
The man whom I've mentioned in the words above  
could be none other than--  
Tim Miller.

# LAST DAY PICNIC

The last day picnic is a celebrated event for many reasons, not the least of which is an afternoon spent on the football field, enjoying friends and well-earned leisure time. After intense CATS testing days and hours spent finishing portfolios and finals, everyone, including the faculty and staff, had a great time socializing and eating lunch, cooked and served by our administrators. No worries on this day, unless sunburns count!

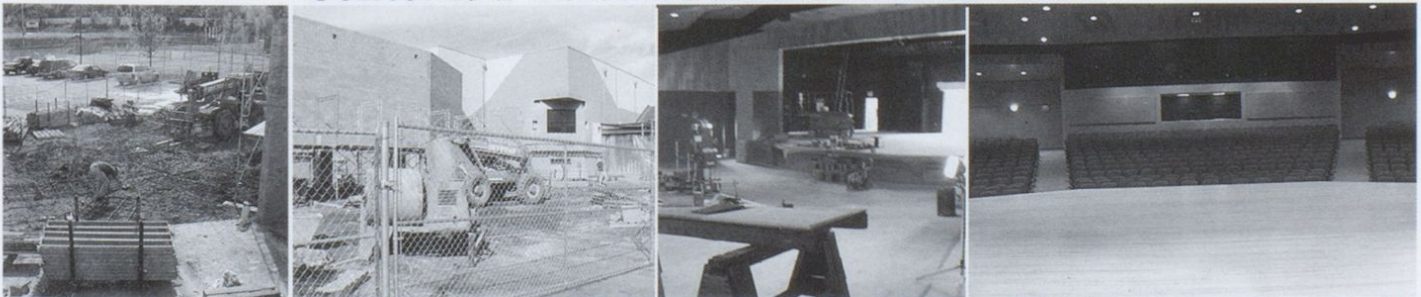

# Cultural Arts *Center*

Due to open at the end of June, our Cultural Arts Center is a welcome addition to RWHS.

These pictures show the development of the Cultural Arts Center, from beginning to end and from the outside to the inside.

# Moving on...

Brick and mortar are nice and we have been blessed with our share of that – and as of mid-way through last year, finally have a completed high school building. However, buildings do not a school make, because in the end, it is the people who use them that are the heart and soul of it all. This school has more heart and more soul than most. And I am happy to have been allowed to be a part of it... May God richly bless those who will carry on the fine traditions of Raceland-Worthington High School, which will remain in my heart and prayers always.

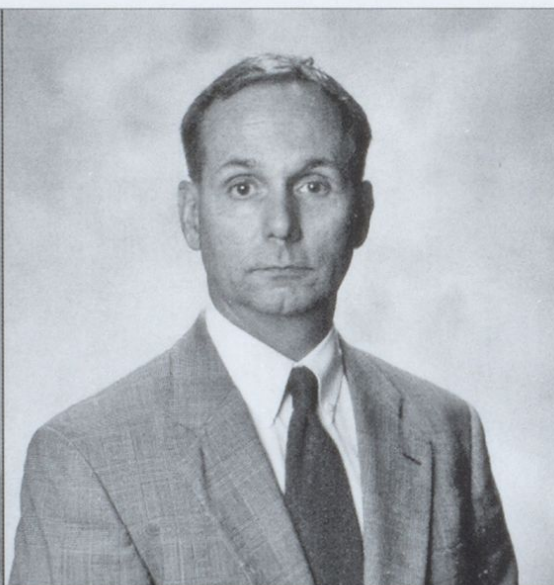

~Marilyn Lamblin

## The Song: Here's To The Night

So denied so I lied are you the now or never kind  
In a day and a day love I'm gonna be gone for good again  
Are you willing to be had are you cool with just tonight  
Here's a toast to all those who hear me all too well

Here's to the nights we felt alive  
Here's to the tears you knew you'd cry  
Here's to goodbye  
Tomorrow's gonna come too soon

Put your name on the line along with place and time  
Wanna stay not to go I wanna ditch the logical  
Here's a toast to all those who hear me all too well

Here's to the nights we felt alive  
Here's to the tears you knew you'd cry  
Here's to goodbye  
Tomorrow's gonna come too soon

All my time is froze in motion  
Can't I stay an hour or two or more  
Don't let me let you go  
Here's a toast to all those who hear me all too well

Here's to the nights we felt alive  
Here's to the tears you knew you'd cry  
Here's to goodbye  
Tomorrow's gonna come too soon

# What's Your Ringtone?

Austin Woods uses the theme song to the popular TV show, "Law & Order," as his ring tone.

Alana Mullins keeps it classic, literally, with her choice of "Phantom of The Opera" as her ringtone.

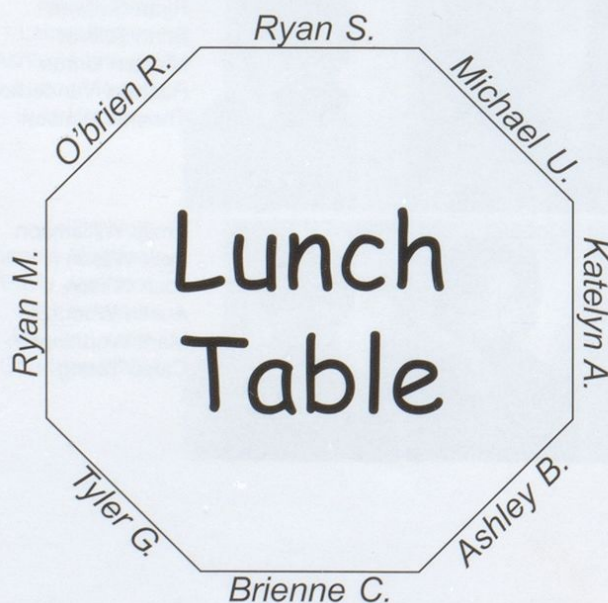

Xan Bramblett switches off between "L-O-V-E" by Ashlee Simpson, and "Strawberry Wine" by Deena Carter.

Bret Denton goes with the classic vibrate instead of conforming to the use of popular ringtones.

## Describe Your Circle of Friends.

Ryan Sullivan said a typical day of fun is, "Any day when we all are in a good mood and we are all laughing together." He also drew this diagram.

Mrs. Fosson's 4th Period English Class seemed to have a terrible time getting to class on time as a whole this year.

Tyler Boyles said he was late on one occasion, "because I was pokey that day."

Lacasta Roar says she is tardy "6 or 7 times" a week for several reasons such as: eating and all her books were in her locker being in the bathroom, and forgetting her notebook.

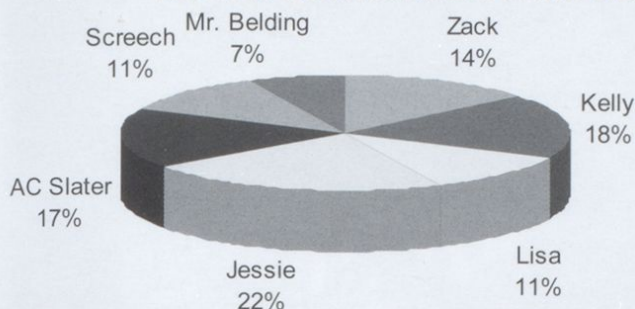

John-Scott Carver says he's late around three times a week, but "says" he manages to sneak in unnoticed.

# Which Cast Member Are You?

With the theme of the Freshman section being "Saved By The Bell," a poll was taken to ask members of the class who they are most like from the cast.

**Zack-** popular, attractive, troublemaking nuisance

**Kelly-** kind-hearted, peppy, loveable, cheerleader

**Lisa-** gossipy, shopaholic, fashionista

**Jessie-** smart, strong-willed activist, witty

**Slater-** typical jock but with a big heart

**Screech-** nerdy, nature-loving, gullible guy

**Mr. Belding-** stern, uptight exterior, but yet very caring

# DRAMA

The drama club brought us Shakespeare's comedy *Love's Labor's Lost* this year. Since the Cultural Arts Center was not yet finished, the play was performed in the cafeteria. This presented staging difficulties, but the group overcame the challenges

with the guidance of drama teacher Mrs. Mary Johnson. The play was dedicated to Tim Miller, who assisted Mrs. Johnson last year and especially loved theater. Two seniors, Josh Joseph and Ray Mayers, had roles in the production.
